Best-selling journalists take the stage in Distinguished Speaker Series

The ADA welcomes journalists to the stage with New Year. Ms. Clift is the Washington correspondent for The Daily Beast and a pan-elist on the public affairs television show “The McLaughlin Group.” She is known for bringing attention to today’s headlines through the lens of her personal experience with the loss of her husband. Dr. Krauthammer is a Pulitzer Prize-winning syndicated columnist and contributor for Fox News. He earned a medical degree from Harvard University and practiced medicine before becoming a speechwriter for Vice President Walter Mondale, and later joined The New Republic as a writer and editor. He began writing a weekly column for The Washington Post in 1985 and today it appears in more than 400 newspapers worldwide.
